PROFESSIONAL EXPERIENCE

Etsy Store Manager / E-Commerce Specialist | Remote (Freelance) | May 2026 – Jul 2026

- Managed end-to-end Etsy store operations, including product listings, inventory updates, customer communications, and order fulfillment, ensuring accurate and timely processing of customer orders.
- Optimized product listings using keyword research, competitor analysis, and SEO best practices with Alura, EtsyHunt, and ChatGPT to improve product visibility.
- Designed high-quality marketing assets, banners, and product mockups using Canva, Adobe Photoshop, Photobook, and AI design tools to enhance product presentation.
- Maintained accurate product data and organized workflows, ensuring smooth daily store operations across multiple product listings.

Owner / Operations Manager | JF PrinTek Digital Printing Services | Jul 2025 – Apr 2026

- Founded and managed a digital printing business, overseeing daily operations, budgeting, supplier coordination, production planning, and customer service.
- Successfully coordinated large-volume printing projects, including a 1,000-piece custom shirt order, by managing sourcing, scheduling, production, and quality control.
- Prepared quotations, invoices, production schedules, and business documentation, improving operational organization and order tracking.
- Built and maintained strong client relationships by managing projects from initial consultation through final delivery while ensuring customer satisfaction.

Maks DataTech Virtual Assistance Services | Jan 2021 – Mar 2025

Administrative Assistant | Maks DataTech | 2022 – 2025

- Managed administrative operations, including reports, confidential employee records, documentation, spreadsheets, and digital filing systems while maintaining accuracy and confidentiality.

- Coordinated recruitment activities, including job postings, applicant communications, interview scheduling, onboarding, and offboarding documentation.
- Supported payroll and HR administration by maintaining attendance records, assisting with salary computations, and documenting company policies and procedures.
- Prepared reports, administrative summaries, and business documents to support management decision-making and daily operations.
- Coordinated vendors, office procurement, and equipment maintenance, ensuring uninterrupted day-to-day business operations.

Product Research and Data Entry Specialist | Maks DataTech | 2021 – 2022

- Conducted product and market research by analyzing competitor pricing, product trends, and customer demand to support business decisions.
- Maintained accurate product listings across WordPress and eBay while updating inventory levels, pricing, and product information.
- Prepared spreadsheets, reports, and presentations while ensuring data accuracy and supporting daily administrative operations.

Real Estate Virtual Assistant | Rothman Home Team, CA – Remote | Dec 2020 – Jan 2021

- Created and distributed email marketing campaigns using Mailchimp to support lead generation and client engagement.
- Managed social media scheduling and listing promotions through Meta Business Suite, maintaining consistent online visibility.
- Edited and published real estate marketing content, including property images and listing information for Facebook and other digital platforms.

E-Commerce / Dropshipping Virtual Assistant | Remote / Freelance | Dec 2018 – Dec 2020

- Managed day-to-day marketplace operations across Amazon, eBay, Shopee, and Lazada, including product listings, inventory updates, pricing, and order fulfillment.
- Performed product and competitor research to identify profitable opportunities and support pricing strategies.
- Provided customer support by resolving order issues, responding to buyer inquiries, and maintaining positive customer experiences.
- Maintained accurate marketplace data, ensuring product information, inventory, and pricing remained up to date across multiple platforms.

PRIOR EXPERIENCE

Computer Technician / IT Support Specialist | Woodfields Consultants Inc. | Sep 2017 – Apr 2018

- Installed, configured, and maintained computer hardware, software, and network devices while providing technical support to end users.

Sales Clerk / Operations Coordinator | Translucent Tempered Glass Corp. | Dec 2016 – May 2017

- Supported daily sales operations, customer service, inventory monitoring, and administrative tasks while maintaining accurate sales records.

Full-Time Missionary | The Church of Jesus Christ of Latter-day Saints, Philippines Urdaneta Mission | Jun 2014 – Jun 2016
